NOTICE OF ADMINISTRATIVE LAW JUDGE'S RULING

Dear Sir/Madam:

Notice is hereby given that Union Electric Company's ("UE") Motion for Proprietary Treatment, filed as part of its Informational Statement on July 7, 2003, is denied by the Administrative Law Judge. UE claims that public disclosure of the information in question "could impact the market price of the Company's securities"; however, UE does not explain how or why treating this information as public could have that effect. It is noted in this ruling that the securities to be redeemed are subject to a call provision, and that the redemption price for the securities subject to call is fixed. It is also noted that information similar to that for which protection is sought in the instant docket was treated as public information in the Commission's orders in Docket Nos. 02-0484 and 03-0154.

Sincerely,

Elizabeth A. Rolando  
Chief Clerk
